

ATTENTION PARENTS! DOES YOUR CHILD HAVE AN IEP? JOIN US FOR OUR INFORMATIVE MEETINGS!

Community Advisory Committee (CAC) is a school-associated group, comprised of parents, educators and other interested community members. The CAC welcomes everyone. The scheduled, public CAC meetings are open to parents, caregivers, school staff and anyone who is interested in learning about Special Education. The functions of the Antelope Valley SELPA CAC are:

- To provide training to parents and families of students with disabilities
- Encourage parent and community involvement in the development and review of the local plan and disability awareness
- Support activities on behalf of individuals with exceptional needs

The AV CAC has scheduled 6 meetings this year at various locations throughout the Antelope Valley. For more information about our CAC Meetings, please go to our website, www.avspecial.com, and click on *Parents' Corner* or contact Monika Gyls, mggyls@palmdalesd.org. The calendar of events will be updated as we progress through the year, so please check our website for the most updated information. Spanish Interpreters are available for all meetings.
