Mindful Civility® Parent Work

**Children are like wet cement.
Whatever falls on them
makes an impression.**

-Haim Ginott

Parents will learn Mindful Civility tools and how to use them to advocate & navigate courageously & responsibly in schools on behalf of their children so their children can access learning and experience non-oppressive learning that serves as an education benefit.

Spanish Interpretation will be provided.

Presenter is Rhea Settles, Ed.D. M.NCRP. Dr. Settles has over 31 years of teaching and coaching how to share resources, spaces, and engage with each other without causing harm, thereby liberating us from oppression. This includes mediating conflict wars (adversarial, competing, and divisive), and helping people create bridges, not barriers when engaging with each other in learning places (schools and colleges) and workplaces.
