Course Description

This course will discuss the meaning of ethics and different ways that ethics are part of the daily work of the speech-language pathologist (SLP). A framework for managing ethical challenges will be provided and learners will have an opportunity to apply this framework to different situations.

Learning Outcomes

At the conclusion of this session participants will be able to:

- Define ethics as it pertains to SLP
- Identify situations in which SLPs manage ethical challenges
- Apply a framework to manage ethical dilemmas
