Spring 2025 Credential Bridge Workshops

Workshops are held ONLINE for 2 hours, from 4:30 pm to 6:30 pm

Flyers with registration links will be sent closer to the workshop

FINAL DATES FOR 2024-25 SCHOOL YEAR

March 12, 2025 – Early Childhood Special Education (ECSE)

This workshop will provide professional development for current Education Specialist – Early Childhood Special Education credential holders to submit their professional development attendance to apply for the bridge to the new Education Specialist – Early Childhood Special Education credential. This adds authorization to teach TK/Kgn.

March 17, 2025 – Mild/Moderate Support Needs (MMSN)

This workshop will provide professional development for current Education Specialist – Mild-Moderate credential holders to submit their professional development attendance to apply for the bridge to the new Education Specialist – Mild to Moderate Support Needs (MMSN) credential.

March 25, 2025 – Extensive Support Needs (ESN)

This workshop will provide professional development for current Education Specialist – Moderate/Severe credential holders to submit their professional development attendance to apply for the bridge to the new Education Specialist – Extensive Support Needs (ESN) credential.

Note: This workshop will also provide training for overflow registration from the 3.17.25 training.

Trainers:

Stacy Berrest, SELPA and Special Education Director, Rowland Unified School District

Nicole Hernandez, Assistant Special Education Director, Rowland Unified School District

Tamara Schiern, Executive Director, West San Gabriel Valley SELPA

*These trainings are provided **FREE OF CHARGE** by Southern California Special Education Administrators (SoCalSEA), a California non-profit organization*
